

Child not on an Early Help Assessment, Child In Need, Child Protection or Child Looked After plan and open to Youth Offending Service* ^

*Cases open to the YOS are those children on Statutory Court Orders, Second Youth or Youth Conditional Cautions. This may include children open on Voluntary programmes of Bail Support or open to the Specialist Youth Service for Prevention work.

^ If during your work with a child who is also open to a Social Work team, you become concerned about CSE risks, these need to be discussed with the Social worker and agreement made in relation to who will progress the screening tool and RAT. This discussion and outcome must be entered onto Careworks record and line manager advised
